Offering one of the larger floor plans in the neighbourhood at over 1,700 sq. ft. and situated on one of the bigger pie-shaped lots at over 6,200 sq. ft., this Hall property provides a rare and valuable combination of higher quality interior living and a comfortably accommodated outdoor lifestyle. This modern, energy-efficient home features 3 bedrooms and 2 full bathrooms and was professionally levelled last year for added peace of mind. Families will appreciate the location directly across from the community playground, allowing children to safely enjoy a large green space just steps from home. The Multiplex and Fieldhouse are also only a short walk or drive away, making it easy to attend hockey, gymnastics, indoor soccer, and other recreational activities. During the winter months, nearby snowmobile trail access allows you to explore Kam Lake and beyond with ease. As you arrive at the home, you'll immediately notice the impressive amount of paved parking. With room for multiple vehicles, there is still plenty of space for an RV, boat, snowmobiles, or other recreational toys. The sunny deck offers pleasant lake views, while the fully fenced and gated backyard is designed for low-maintenance enjoyment. Here you'll find a cozy pergola-covered patio, a storage shed, and plenty of private outdoor space for both children and pets to play. Inside, the spacious, fully enclosed entryway creates the perfect transition space for busy families with kiddos and pups. Complete with a built-in bench and additional storage, it helps keep everyday life organized. As you enter the home itself, you will be amazed at the size of the open-concept kitchen, dining, and living area, offering ample room for both daily living and entertaining. The stunning kitchen is sure to impress with its stainless steel appliances, gas range with pot filler, custom range hood, subway tile backsplash, deep pantry, and sleek 6-foot island. With an incredible 14 drawers for all your kitchen wares alone, everything has its place.
