SPECIAL FEATURES /FURNISHINGS:

This 3 bedroom, 2 full bathroom home is located on a quiet, family-friendly street in the community of Edzo (Behchoko, Northwest Territories). Enjoy the convenience of being within walking distance of the local playgrounds, daycare facilities, and Chief Jimmy Bruneau Regional High School. You are also only just a short 15 minute drive away from Rae, so you can visit the Elizabeth Mackenzie Elementary School, the Mary Adele Bishop Health Centre, community government offices, gas stations, convenience stores, and the Northern Store (grocery).

This property presents an excellent opportunity to own an affordable home on leased land in the peaceful Edzo community. Even better, many of the home's major components were updated this past year, including the roof, furnace, hot water tank, most windows, and both bathrooms were refreshed a few years ago. With the big-ticket items already addressed, you can move in with confidence and focus on making the interior space your own.

Situated on a huge 8,700+ sq. ft. lot, this property offers exceptional outdoor living. The large, fully fenced front yard provides a safe and secure space for children and pets to play, while the huge backyard backs onto no immediate neighbours, allowing you to enjoy privacy and sunshine from your rear deck all summer long. Mature trees add to the peaceful setting, and additional outdoor features include a teepee-style firepit area, multiple storage sheds (including space for an ATV), and convenient gate access to both the front and rear yards. Whether you're returning home from a day on the trails with your ATV or skidoo, you'll appreciate how easy it is to securely store your outdoor toys away.

Inside, you'll be welcomed by a dedicated entryway complete with practical storage for coats and footwear. The bright kitchen features newer appliances, ample cabinetry, and a large front-facing window that fills the space with natural light. Adjacent to the kitchen is plenty of room for a dining area, while the flexible front section of the home could also serve as a secondary living room. The home offers three spacious bedrooms and two full bathrooms, both of which have been recently updated with newer vanities, toilets, showers, and flooring. A separate laundry room adds everyday convenience too.

At the rear of the home, you'll find a generous den/living room that is ideal for relaxing or entertaining. Featuring a cozy wood stove, overhead ceiling fans, and direct access to the backyard deck and patio, this inviting space is the perfect place to unwind after a long day.

If you're tired of commuting between Yellowknife and Behchoko for work, or you're looking for an opportunity to return home to Tłı̨chǫ land, this property deserves your attention. Contact Shane at (867) 446-1622 for more information or to schedule your viewing today!
